Bagalkot – 587103 | Affiliated to VTU, Belagavi

COLOSSEUM 2026

— *Techno-Cultural Festival* —

16th & 17th May 2026

Organized by BEC Creative Spectrum

EVENT COMPENDIUM — COMPLETE GUIDE TO EVENTS, SCHEDULE & COMPETITIONS

ABOUT COLOSSEUM

COLOSSEUM 2026 is the inaugural Techno-Cultural Festival of BEC Creative Spectrum — the first-of-its-kind student-led creative association in the 60-year history of Basaveshwar Engineering College. The name COLOSSEUM is a deliberate and powerful metaphor: just as the ancient Roman Colosseum was the world's greatest arena where competitors, performers, and spectators gathered in a grand convergence of skill, strategy, and spectacle, so too is this festival our arena — where engineering minds clash with problems, creative souls dazzle the audience, and the spirit of BEC rises to a new zenith.

The festival spans two days, blending the technical rigour of competitive gaming and robotics with the creative richness of music, dance, drama, photography, and open talent. A cumulative prize pool of ₹10,000/- awaits the top performing teams. Every event has been designed not merely to test skills, but to build community, courage, and collective pride.

EVENT AT A GLANCE

Festival Name	COLOSSEUM 2026 — Techno-Cultural Festival
Dates	16th May 2026 (Saturday) & 17th May 2026 (Sunday)
Primary Venue	Gallery Hall, Basaveshwar Engineering College, Bagalkot
Organized By	BEC Creative Spectrum (Association of Ten Clubs)
Total Events	8 Competitive Events + Cultural Performances + Valedictory
Prize Pool	₹10,000/- 1st: ₹5,000 2nd: ₹3,000 3rd: ₹2,000
Scoring Basis	Cumulative: Clash Royale + ROBOWARS + Domino Effect

DAY 1 — 16th MAY 2026 (SATURDAY)

DAY 1 — MASTER SCHEDULE

Time	Event / Activity	Venue / Notes
1:00 PM	Inauguration of COLOSSEUM 2026	Gallery Hall — Opening Ceremony

Time	Event / Activity	Venue / Notes
2:00 PM	DECODE OR DEATH — Battle Royale	Alloted classroom
4:00 PM	CLASH ROYALE — Top 8 Finals	Alloted classroom
6:00 PM	Open Jamming Session	Gallery Hall — All Teams & Audience
6:40 PM	DANCE BATTLE — Solo Competition	Gallery Hall — 4 Competitors
7:00 PM	Snacks Distribution & Day 2 Hints	Gallery Hall
7:15 PM	End of Day 1	—

INAUGURATION CEREMONY

COLOSSEUM 2026 will be formally inaugurated at 1:00 PM on 16th May 2026 at the Gallery Hall. The ceremony will include the lighting of the lamp, a welcome address by the President of BEC Creative Spectrum, address by the Dean of Student Welfare, and formal declaration of the opening of COLOSSEUM 2026. The inauguration marks the first major organized festival of BEC Creative Spectrum in BEC's history.

Event Coordinators (Inauguration): _____ | _____

EVENT 01 — DECODE OR DEATH

DECODE OR DEATH	
Developers Club Robotics & Drone Club Technical Battle Royale Day 1 2:00 PM – 4:00 PM Gallery Hall	
Description	DECODE OR DEATH is the grand opening competitive event of COLOSSEUM 2026 — a high-octane Battle Royale where teams answer technical questions to earn points, and then use those points as weapons to attack opponent teams. The last team standing wins and qualifies for the next round.
Format	1. Teams compete simultaneously in a Battle Royale format. 2. Each correct answer earns the team points / attack power. 3. Teams use accumulated points to attack rival teams, reducing their health/score. 4. Teams whose score reaches zero are eliminated from the arena. 5. The last team standing wins the round. 6. Top 8 teams by performance qualify for CLASH ROYALE. 7. Audience may spectate the entire event in real time.
Rules / Flow	1. All participating teams register before 1:30 PM on Day 1. 2. Questions are of mixed difficulty levels across technical domains. 3. Teams may not communicate with eliminated teams during the game. 4. Coordinators' decisions on scoring are final and binding. 5. Time limits per question will be announced at the start of the event.

Coordinators	_____ _____
---------------------	---------------

EVENT 02 — CLASH ROYALE

CLASH ROYALE	
Developers Club Technical Team Battle Day 1 4:00 PM – 6:00 PM Gallery Hall	
Description	CLASH ROYALE is the pinnacle technical event of Day 1, open exclusively to the Top 8 teams who have survived DECODE OR DEATH. In this game, teams solve technical questions to activate troops and deploy them against their opponents in a strategic head-to-head battle — inspired by the mechanics of the globally popular Clash Royale game format.
Format	1. Only the top 8 qualified teams from DECODE OR DEATH may participate. 2. Teams solve questions to activate specific 'troop cards'. 3. Activated troops are deployed against the opposing team's structure. 4. The team that destroys the opponent's structure first advances. 5. Bracket-based elimination — rounds continue until a winner is crowned. 6. Audience may spectate the full tournament. 7. Scores from this event contribute to the cumulative prize pool ranking.
Rules / Flow	1. Only qualified teams from DECODE OR DEATH may compete. 2. Question difficulty escalates with each successive round. 3. No external aids (books, phones) permitted during question time. 4. Each troop has a specific power rating determined by coordinators. 5. In case of a tie at end of time, a sudden-death question decides the winner.
Coordinators	_____ _____

CULTURAL SEGMENT — DAY 1 EVENING

The cultural segment of Day 1 begins at 6:00 PM and comprises two events: an Open Jamming Session for all participants and audience, followed by the Solo Dance Battle — a high-energy head-to-head competition between four participants.

Open Jamming Session

Time: 6:00 PM – 6:40 PM (30 to 40 minutes) | Venue: Gallery Hall

The Open Jamming Session is an informal, open-mic style musical session where any participant — from any team or club — may come to the stage and perform. It is designed to break the tension of competition, foster camaraderie between teams, and celebrate the raw musical talent within BEC. All genres and instruments are welcome.

Cultural Coordinators (Jamming): _____ | _____

DANCE BATTLE — Solo Competition

Time: 6:40 PM – 7:00 PM | Venue: Gallery Hall | Participants: 4 Competitors

The Dance Battle is a solo head-to-head competition between four participants, structured as two semi-final bouts (Battle 1: Competitor 1 vs Competitor 2 | Battle 2: Competitor 3 vs Competitor 4), followed by

the final. Each battle is judged on energy, creativity, rhythm accuracy, and audience response. The Dance Club anchors this event.

Dance Battle Coordinators: _____ | _____

Following the Dance Battle, snacks will be distributed to all participants and audience members. A brief teaser of Day 2's schedule will be shared, building anticipation for the events ahead. Day 1 concludes at 7:15 PM.

DAY 2 — 17th MAY 2026 (SUNDAY)

DAY 2 — MASTER SCHEDULE

Time	Event / Activity	Venue / Notes
9:00 AM	Robotics Conclave — Interactive Session	Classroom / Gallery Hall
10:30 AM	ROBOWARS — Virtual Robot Combat	Alloted classroom
12:30 PM	Lunch Break	College Premises
2:00 PM	DOMINO EFFECT — Innovation Challenge	Alloted classroom
4:00 PM	FRAME THE CHAOS — Photography Challenge	College Premises & Surroundings
5:00 PM	BEC's Got Latent — Open Talent Showcase	Gallery Hall
6:00 PM – 6:15 PM	Break	—
6:15 PM	Grand Cultural Concert (Music, Dance, Drama)	Gallery Hall
8:30 PM approx.	Valedictory & Prize Distribution Ceremony	Gallery Hall
9:00 PM approx.	End of COLOSSEUM 2026	—

SESSION — ROBOTICS CONCLAVE

Time: 9:00 AM – 10:30 AM | Day 2 | Venue: Gallery Hall / Designated Classroom

The Robotics Conclave is an interactive educational session organized by the Robotics & Drone Club of BEC Creative Spectrum. The session provides participants and audience members with a comprehensive and engaging introduction to the world of robotics — covering robot anatomy, types of robots, sensors, actuators, control systems, and real-world applications. The session is designed to be accessible and

inspiring for students at all levels of familiarity with robotics, and directly sets the stage for the ROBOWARS event that follows.

Session Coordinators: _____ | _____

EVENT 03 — ROBOWARS

ROBOWARS	
Robotics & Drone Club Virtual Robot Combat 1v1 Format Day 2 10:30 AM – 12:30 PM Gallery Hall	
Description	ROBOWARS is a virtual robot-building and combat competition where teams construct their robot by strategically selecting from a catalogue of robot bodies, primary weapons, and special weapons. The assembled robots then battle in a head-to-head format — combining both technical knowledge (to make smart build decisions) and tactical thinking (to outmaneuver and outlast the opponent).
Format	1. Teams participate in a 1v1 elimination bracket. 2. Each team is given a fixed budget/point allowance to build their virtual robot. 3. Teams select: Robot Body (determines base health and mobility), Primary Weapon (determines attack power), Special Weapon (determines unique abilities or defence). 4. Assembled robots are then simulated in combat against the opposing team's robot. 5. Combat outcomes are determined by the build configuration and real-time strategy decisions. 6. Scores from ROBOWARS contribute to the cumulative prize pool ranking.
Rules / Flow	1. All team members must be present at the start of the event. 2. Each team is given a set time to finalize their robot build — no changes after lock-in. 3. Build configurations must remain within the allocated budget. 4. Coordinators will moderate the combat simulation; their judgment is final. 5. Teams must not communicate with other competing teams after the build phase begins.
Coordinators	_____ _____

EVENT 04 — DOMINO EFFECT

DOMINO EFFECT	
Innovation Club Progressive Boss-Battle Challenge Day 2 2:00 PM – 4:00 PM Gallery Hall	
Description	DOMINO EFFECT is the flagship event of the Innovation Club — a progressive challenge where teams solve a series of questions to advance through levels, facing increasingly powerful 'Boss Encounters' at regular intervals. Each boss must be defeated to proceed further. The ultimate challenge awaits in the form of a Final Boss — the team that defeats the Final Boss first, wins the round. The event tests not just academic knowledge, but also problem-solving under pressure and strategic resource management.
Format	1. Teams begin at Level 1 and progress by answering questions correctly. 2. At designated intervals, teams face a Boss Challenge — a harder multi-part problem. 3. Teams must defeat each Boss to proceed to the next level. 4. The Final Boss is the hardest challenge of the game. 5. The first team to defeat the Final Boss wins the event. 6. Scores from this event contribute to the cumulative prize pool ranking. 7. If no team defeats the Final Boss, the team furthest in progression wins.

Rules / Flow	1. Teams must answer within the stipulated time for each question. 2. Boss questions require a full-team consensus answer. 3. Skipping a Boss is not permitted — teams must attempt each Boss encounter. 4. If a team fails to defeat a Boss within allotted attempts, they are penalized. 5. Coordinators' decisions on answer acceptance are final.
Coordinators	_____ _____

EVENT 05 — FRAME THE CHAOS

FRAME THE CHAOS	
Photography & Videography Club Photography Challenge Day 2 4:00 PM – 5:00 PM College Campus & Surroundings	
Description	FRAME THE CHAOS is the Photography & Videography Club's signature event — a one-hour open photography sprint where participants venture across the college campus and its surroundings to capture a curated album of photographs that tells a story, evokes emotion, or showcases creative perspective. Participants may step outside the college boundary within designated safe zones. The best album, as judged on composition, creativity, technical skill, and narrative coherence, wins the event. The name 'FRAME THE CHAOS' captures the essence of the challenge: in the chaos of a festival — movement, colour, human emotion, architecture, and nature all colliding — the true photographer finds beauty, stillness, and meaning. To frame the chaos is to master the art of seeing.
Format	1. Each participant / team has exactly 60 minutes to shoot and compile their photo album. 2. Participants may roam freely within the designated zones (college campus + immediate surroundings). 3. Each submission must consist of 10 to 15 photographs that form a cohesive album. 4. Photos must be clicked during the event window — pre-clicked photos are disqualified. 5. Albums are submitted digitally to the coordinators at the Photography Club room. 6. Judging criteria: Composition (30%), Creativity & Originality (30%), Technical Quality (20%), Narrative Coherence (20%).
Rules / Flow	1. Only photographs taken within the 60-minute window are eligible. 2. No heavy filters or AI-generated alterations permitted; basic exposure/colour correction is allowed. 3. Photos must not feature identifiable individuals without consent. 4. Coordinators will inspect metadata timestamps to verify capture time. 5. Judging panel decision is final.
Coordinators	_____ _____

BEC'S GOT LATENT — OPEN TALENT SHOWCASE

Time: 5:00 PM – 6:00 PM (up to 6:15 PM) | Day 2 | Venue: Gallery Hall

BEC's Got Latent is COLOSSEUM's open talent showcase — a platform for any student of BEC to take the stage and display their unique talent to the entire audience. Acts may include singing, stand-up comedy, spoken word, magic, instrumental performance, beatboxing, or any other talent. Each act is given a performance window of 3 to 5 minutes. Acts are not judged on a competitive basis — the event is purely celebratory and is designed to celebrate the latent talent that exists across every department and year of BEC.

Registrations for BEC's Got Latent must be submitted in advance to the coordinators.

Cultural Coordinators (BEC's Got Latent): _____ | _____

GRAND CULTURAL CONCERT

Time: 6:15 PM onwards | Day 2 | Venue: Gallery Hall

The Grand Cultural Concert is the crowning event of COLOSSEUM 2026 — a multi-club performance extravaganza that brings the festival to a magnificent close. The concert features curated performances from the Music Club, Dance Club, and Drama Club of BEC Creative Spectrum. This is not merely a closing ceremony; it is a statement — that BEC Creative Spectrum is here, it is capable, and it has arrived.

#	Club	Type of Performance	Coordinator(s)
1	Music Club	3 to 4 live music performances (solo/ensemble)	_____ _____
2	Dance Club	3 to 4 choreographed dance performances	_____ _____
3	Drama Club	2 theatrical / dramatic performances	_____ _____

Overall Concert Coordinator: _____ | _____

VALEDICTORY & PRIZE DISTRIBUTION CEREMONY

Time: Approx. 8:30 PM | Day 2 | Venue: Gallery Hall

Following the Grand Cultural Concert, COLOSSEUM 2026 will culminate in the Valedictory and Prize Distribution Ceremony. The ceremony will include felicitation of prize winners, closing remarks by the Dean of Student Welfare and the President of BEC Creative Spectrum, and the formal declaration of the conclusion of COLOSSEUM 2026. The prizes will be awarded based on cumulative scores across the three competitive events: Clash Royale, ROBOWARS, and Domino Effect.

1st Place	₹5,000/- + Certificate of Excellence
2nd Place	₹3,000/- + Certificate of Merit
3rd Place	₹2,000/- + Certificate of Merit
Participation	Certificates for all registered participants

ORGANIZING COMMITTEE

Festival President	_____ (President, BEC Creative Spectrum)
Vice President	_____ (Vice President, BEC Creative Spectrum)
Dean of Student Welfare	Dr. Bharti Methi, Basaveshwar Engineering College
